## 2013 CABERNET FRANC GRAND VALLEY AVA

### WINEMAKER'S NOTES:

One of the original grapes planted in the vineyard in 1991, Cabernet Franc was initially used as a blending grape added to our Merlot and Cabernet Sauvignon. The decision was made in 2005 to let this grape shine on its own. This wine was created in our traditionally inspired low-intervention winemaking style. Post-fermentation, the wine was placed into a 10-month oak barrel program consisting of new, one and two-year old American oak.

Hot days, chilly nights, rain, sun, fog- the 2013 season had us riding the weather roller coaster. The wide range of temperature, moisture, and sun produced a Cab Franc with aromas of dried cherries, red currant, blueberry, and cola with a slight hint of olive brine. Flavors of violet, blackberry, pine resin, and grape candy, with a broad mouthfeel and youthful tannins are sure to make the newest Cab Franc one of your favorites.
