

CANYON WIND

2012 CHARDONNAY GRAND VALLEY AVA

WINEMAKER'S NOTES:

The mainstay of our white line, Chardonnay, was planted from two clones in 1991 in our original vineyard. The location and climate of this particular vineyard produces wonderful balance and structure in our Chardonnay each year. The wine was created in our traditionally inspired low-intervention winemaking style.

The 2012 Chardonnay was produced from the twenty one-year old vines in our Riverside Vineyard and is our first-ever 100% oaked Chardonnay. Aged in stainless steel barrels with French & American oak staves for almost five months, this vintage has aromas of pineapple, coconut and pear with a touch of sweet vanilla and light caramel; followed on the palate with grapefruit, guava, vanilla and toasty oak providing the wine with a smooth, medium body and bright acidity.
