

CANYON WIND

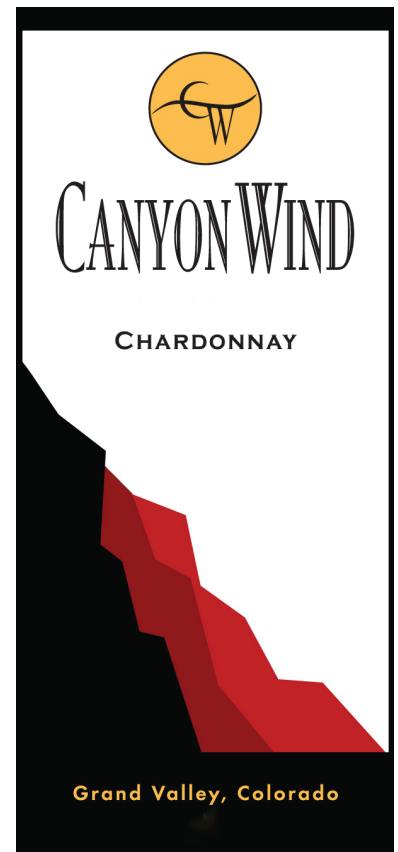

2013 CHARDONNAY GRAND VALLEY AVA

WINEMAKER'S NOTES:

The mainstay of our white line, Chardonnay, was planted from two clones in 1991 in our original vineyard. The location and climate of this particular vineyard produces wonderful balance and structure in our Chardonnay each year. The wine was created in our traditionally inspired low-intervention wine-making style.

The 2013 Chardonnay was produced from the twenty two-year old vines in our Riverside Vineyard and continues to showcase the bright, rich complexity developed from our return to producing a 100% oaked Chardonnay. Aged in stainless steel barrels with French & American oak staves for almost five months, this Chardonnay is full-bodied with a nice backbone of acidity. Aromas of grapefruit, butter-scotch, rose petal, cinnamon, and clove with a touch of vanilla bean and light caramel are followed on the palate with grapefruit, apricot preserves, toasted coconut, honey, vanilla, and toasty oak that all beg to be paired with your favorite creamy pasta dish.
