

# CANYON WIND

*"We're really focused on letting the grape do the work and of allowing what you did in the vineyard to become the liquid you'll be working with."*

*-Jay Christianson  
Second Generation, Canyon Wind Cellars*

## WINEMAKER'S NOTES:

A cliffside vineyard expansion in 2001 presented an opportunity to expand our white varietals; including the addition of Pinot Grigio. This wine was created in our traditionally inspired low-intervention winemaking style by whole cluster pressing and fermenting in 100% stainless steel. This crisp bright wine is an excellent addition to our line-up.

This beautiful, bright Pinot Grigio is an elegant and restrained version from our Cliffside Vineyard. Aged for three months in stainless steel barrels sur lee, this vintage has delightful creaminess, bright acidity and is a perfect light and refreshing wine. 205 cases produced.
