

CANYON WIND

"We're really focused on letting the grape do the work and of allowing what you did in the vineyard to become the liquid you'll be working with."

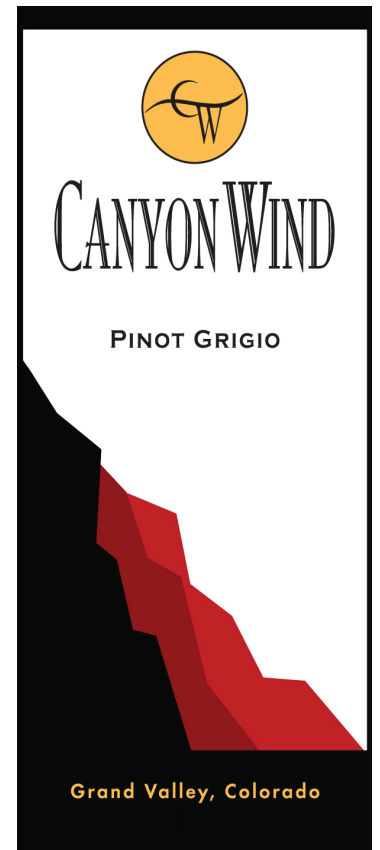

*-Jay Christianson
Second Generation, Canyon Wind Cellars*

WINEMAKER'S NOTES:

A Cliffside Vineyard expansion in 2001 presented an opportunity to expand our white varietals; including the addition of Pinot Grigio. This wine was created in our traditionally inspired low-intervention winemaking style by whole cluster pressing and fermenting in 100% stainless steel. This crisp bright wine has been an excellent and popular addition to our line-up.

This crisp, bright Pinot Grigio has beautifully fresh aromas of grapefruit, lime and just a touch of honey. Aged for four months in stainless steel barrels sur lee, this vintage (the first with our brand new label) refreshes the palate with grapefruit and melon and is the perfect light and refreshing wine for a warm summer day. 193 cases produced.
