

# CANYON WIND

*"We're really focused on letting the grape do the work and of allowing what you did in the vineyard to become the liquid you'll be working with."*

## WINEMAKER'S NOTES:

It took many years and much experimentation before we found the perfect match for our 47-Ten Rosé. The decision to use Merlot for our Rosé was made in 2008 and the complexity of the 20-year-old vines has shown wonderfully in the wine.

The 2011 47-Ten Rosé was fermented through to dryness, yielding a wine of high acid and good complexity. With beautiful color retained through brief skin contact, this Rosé absolutely bursts with starwberry and banana on the nose, accompanied by subtle hints of rose water and pineapple. The palate delights with strawberries, hints of pineapple and good acid leading to the crisp, bright finish. This wine was made in 100% stainless steel and is a spectacular pair for seared tuna and other Asian-inspired cuisine.
